

E-Z-WAY DRIVER TRAINING, INC.

"Developing Safe and Skilled Drivers Since 1979"

ON THE ROAD BEHIND-THE-WHEEL PERFORMANCE OBJECTIVES

| Drive # | Drive Date | \$ Paid | (Time) Start/Finish | (Time) Total | Student Signature | Instructor Initials |
|---------|------------|---------|------------------------|-----------------|-------------------|---------------------|
| 1 | _____ | _____ | _____ | _____ | _____ | _____ |
| 2 | _____ | _____ | _____ | _____ | _____ | _____ |
| 3 | _____ | _____ | _____ | _____ | _____ | _____ |
| 4 | _____ | _____ | _____ | _____ | _____ | _____ |

Indicate ability with (+) or (-) marks. Negative (-) marks need to be explained to the student and worked on during future drives. Plus mark (+) indicates satisfactory completion but not mastery.

Drive # _____

| +/- | Residential/Country/Light City Driving | Comments |
|-----|---|----------|
| | Performs pre-entry procedure-checks vehicle rear, sides front, approaches from the front | |
| | Vehicle familiarization—locks doors, adjusts mirrors, seats, belts, checks gages. | |
| | Student will demonstrate techniques of steering -- hand over hand/ push pull | |
| | Residential awareness, speed limits, hazards, spacing around parked cars. | |
| | Controlled steering capabilities, lane lines, tracking residential & country roads, traffic check | |
| | Proper procedure for stopping the vehicle -- smooth braking, proper spacing behind cars | |
| | Proper right and left turns -- deceleration and acceleration, signal timing, correct lane | |
| | 4-way stops, stop signs with limited visibility, yielding, construction zones | |

Drive # _____

| +/- | Light City/Downtown | Comments |
|-----|---|----------|
| | Proper lane change techniques, checks blind spot, mirrors, signals, controlled steering, and steady speeds | |
| | Passing techniques, acceleration, uses and cancels signal, spacing, adjusts to lane position and speed | |
| | Turning from a two-way street onto a one-way street, overall understanding of correct lane vs. incorrect lane on one and two-way streets. Turning one-way onto two-way. One-way to one-way. | |
| | Ability to drive in crowded public parking lot, awareness, hazard search, speed, signals and following pavement traffic direction arrows. | |

Drive # _____

| +/- | Business Loop/Expressway/Large City Intersections | Comments |
|-----|--|----------|
| | Expressway merging -- acceleration, signal, spacing, blind spot, mirrors, cancel signal. | |
| | Expressway lane changing, passing truck traffic, pacing, signals, traffic check, controlled steering | |
| | Exiting expressway -- signal, deceleration once on exit ramp, ramp speed, mirror check. | |
| | Speed control, awareness of limits, understanding flashing red lights, right on red, arrows, overall ability to execute decisions and use good judgment. | |

Drive # _____

| +/- | Review/Search Spide System/Defensive Skills | Comments |
|-----|--|----------|
| | Ability to perform skills practiced turning #1-#3 drives, knowledge of what to do when encountering emergency vehicles, pedestrians, crosswalks, school crossings, RRX, right of way, overall ability. | |

Drive # _____

| +/- | Misc. | Comments |
|-----|-------|----------|
| | | |
| | | |
| | | |

I certify that the above performance objectives have been met on the drive dates indicated and that the student has demonstrated knowledge of the objectives.
